Terms and Conditions of Volunteering

SCAI is committed to safeguarding the children it supports in Nepal against all forms of abuse and exploitation. In accordance with this SCAI has clear policies and procedures that all volunteers to Sunrise Orphanage or any other of SCAI's projects involving children must adhere to.

As part of this application to become a volunteer with SCAI, we request that you complete and sign the following Terms and Conditions.

- I have read and fully understand SCAI's Child Protection Policy on www.scai.org.au
- I agree to provide SCAI with a National Police Check or in the state/s where this is not available, a Working with Children Check prior to being accepted into the program
- I will not seek or accept any accommodation within Sunrise Orphanage, or with any families, friends or community members that SCAI works with, which has not been pre-arranged by SCAI
- I will show respect to the children, staff, committee and members of the local community in the way I speak, dress and behave to ensure I act in a culturally sensitive manner at all times
- I will ensure that any gifts I buy or donated items brought to Nepal for the children are pre-approved by SCAI representatives, that being the Volunteer Co-ordinator in Australia or SCAI Country Director in Nepal, before giving to any children or staff at Sunrise Orphanage or other SCAI projects
- I agree that I will not give cash to any staff or committee members of Sunrise Orphanage or other SCAI projects. Donations of any kind, whether they are monetary, goods or services must go through SCAI.
- I will not provide my email address or other contact details directly to any child, staff or committee member of any of SCAI's projects, nor ask directly for any contact details.
- I will not hold SCAI **nor** any of SCAI's project partners in Nepal responsible for any injuries, accidents or illnesses that may occur during or resulting from my stay at Sunrise Orphanage or visits to other SCAI projects.

Therefore I agree to submit proof of my insurance cover and liability while I am visiting Nepal and working at Sunrise Children's Association Inc Australia.

- I agree that under no circumstances will I be alone with a child that SCAI supports, whether it be at Sunrise Orphanage or one of SCAI's other project sites and that I will interact with the children only in the presence of others.
- I agree not to take any child out of the orphanage alone, whether it be to school, hospital, shopping or any other place, and a minimum of one other adult SCAI or project partner staff member must accompany me.
- I agree that I must seek permission before taking any photos of the children and photos may only be taken for personal use, and may not be given to any media or distributed in any public forums including the internet, without prior permission from SCAI.
- I agree not to make any promises to the children or staff members with regards to future visits or communication, gifts or any other support as this may lead to disappointment for the child/ person involved. This includes telling them they are very welcome to come and visit them or study in Australia, as they are likely to assume you will organise and pay for this, which puts unfair pressure on SCAI/Sunrise Orphanage.

- I understand that smoking of any kind, use of drugs or consumption of alcohol is strictly prohibited at Sunrise Orphanage or on site at any other of SCAI's projects
- I understand that as a volunteer with SCAI I am representing SCAI so agree to abide by and uphold SCAI's philosophies and accurately and honestly represent SCAI in all volunteer work and dealings with tourists, other volunteers, and all members of the local community.
- I understand that as a volunteer of SCAI I must not undertake any other voluntary or paid work for the duration of my time in Nepal unless approved by SCAI.
- I also agree that I will not financially support any other organisation in Nepal without approval from SCAI. We understand that many people you will meet live in poverty and you may be drawn to help them in some way, but please be aware that many cases are not genuine. If there is a particular project, family or other that you wish to support in some way whilst in Nepal that is outside of SCAI's work, SCAI are more than happy to help you organise this, however it must be done through the appropriate local authorities, to minimise risk to yourself, to SCAI and its project partners, as well as ensure that your support is directed to those in genuine need.

I hereby agree to the above Terms and Conditions of volunteering with SCAI in Nepal, and I understand that SCAI or any of its project partners has the right to cancel my volunteer placement and immediately dispel me from Sunrise Orphanage should any of these terms and conditions not be adhered to. In this instance I agree that I will be fully responsible for my own expenses and travel arrangements from thereon and no volunteer fees will be re-imbursed.
